

# Nonagon Baptistry

The Nonagon: our most popular baptistry combining a spacious design for your baptism with compact storage and easy set up.

The nine sides of our Nonagon create a pool big enough for a tall person and two attendants; while packing down to be easy to store and transport.

You can choose our highly polished ceramic look in a range of colours, with a brown wood effect as standard. Alternatively, commission a beautiful real beechwood veneer Nonagon.

Choose the colour of your liner, with pale blue as standard.

## Everything included for you:

9 panels; liner; nuts and bolts; a fibreglass step; foam base mats; a submersible pump; a 2.4kw water heater; 15m of lay flat piping or 10m crushproof pipe; an insulating floating top; puncture repair kit.

## Optional extras:

Upgrade to a larger, quicker 4.8kw heater for just £400

Add a good strong storage box to keep all your equipment safe and together for £45

## Dimensions:

**Capacity:** 2000 litres

**Size when set up:** 180cm across and 77cm deep  
(Beech veneer is slightly deeper at 82cm deep)

**Size when flat:** nine panels when flat: 77cm x 67cm each

**Equipment box:** 75x45x35cm

## Rough estimates for you:

**Rating for set up:** Straightforward

**How long to set up?** 20 minutes for two people

**How long to fill?** Around two hours

**How long to heat?** At best around 8 hours; at most around 16 hours (see our blog on tips for heating).
